

Amendments to the Specification

In the specification, on page 1, in the section entitled “CROSS-REFERENCE TO RELATED APPLICATION”, please delete the second paragraph of this section that begins with “Said Application no. 07/910,865 is a continuation-in-part of ...” and that ends with “... abandoned, (Attorney Docket Nos. DN37834; 91 P 862).”

In the specification, on pages 1-2, in the section entitled “CROSS-REFERENCE TO RELATED APPLICATION”, please delete the third paragraph of this section that begins with “Said Application No. 07/980,947 filed May 26, 1992 is a continuation-in-part ...” and that ends with “... now abandoned, (Attorney Docket No. 91 P 259) and No. 07/707,954 filed May 22, 1991, now abandoned.”

Note: In case there is any ambiguity, the above-described deletion of the third paragraph of the section entitled “CROSS-REFERENCE TO RELATED APPLICATION” on pages 1-2 of the specification **does not affect** the paragraph that begins in the specification at page 2, line 14, with “Said Application No. 09/799,340 is a continuation of Application No. 09/123,876 ...” and that ends in the specification at page 2, line 19, with “... of Application No. 07/973,237 filed November 9, 1992, now abandoned.”
